Introduction

Engin Günana live divorced from Melike (Günana) since 01.10.2013 and is official divorced with court decision from family-court Böblingen/Germany from 10.10.2017.

Turkish government was obligated at 11/2017 from Consulate Stuttgart to fulfil divorce process in Turkey but in contrary to Böblingen court decision from 10.10.2017. didn't divorce Engin Günana

The reason is Turkish governments financial crime, capital fraud and corruption under misusing Melike Çorba fake marriage situation and coupling with marriage laws to Dipl.-Ing. Engin Günana since 10.10.2017.

Turkish government regulated to Dipl.-Ing. Engin Günana financial regular financial crime and capital fraud over Melike Çorba furthermore coupled fake marriage situation since 10.10.2017. A written request to Turkish local government at 20.01.2023 and 23.01.2023 to quit from Turkish citizenship is not in process. Two times personal visitation after 3 and 6 months at local government in Kocaeli/Turkey were ignored.

Turkish national government misused Turkish national government institution justice-system, finance-system, healthcare-system with dictatorship rules (since 15.07.2012) and didn't realize the divorce process from Turkish nationality with the target to steal furthermore Dipl.-Ing. Engin Günana merit, income, payment and asset.

With a military and extortion coup Turkish national government steal Dipl.-Ing. Engin Günana 600 billion USD at 23.09.2023 part payments from European Union (EU) for Reality-TV and Get-Response services, see lawsuit about 2500 billion EUR against EU and Turkish government.

Turkish government, President Erdoğan and AK-Party steal 01/2016 Dipl.-Ing. Engin Günana 50 Billion EUR payment from Daimler AG at 01/2016, which was send over Mercedes-Benz Bank to Turkey with BND and MIT support and foundation Turkish Wealth Fund TWF with a capitalization 50 Billion EUR, declaration President Erdoğan as Chairman, foundation a pension insurance and send 11 million AK-Part members to pension and pay Ali Tekeşin, Melike Çorba, Fevzi Yıldırım, Göksal Günana, President Erdoğan friends colleagues officers, secret police, MIT employees fat salaries, during Turkish government bankruptcy Dipl.-Ing. Engin Günana with bribe and political connection to Germany Berlin Daimler AG, Industry and Politicians under misusing german national government institutions Justice, Healthcare-System, Social-System, Pension-System and Insurances.

Turkish government steal fake marriage condition Dipl.-Ing. Engin Günana after official divorce decision at 10.10.2017 from family court Böblingen Germany regularly payments, without any authority, without any law regulation and judicial argumentation, just for fun payments and assets with crime, corruption and stages, fake identities (with similar persons, stolen identity-cards and bankcards).

Turkish government attack with 11 million wild AK-Paty members with insults, reaction of Dipl.-Ing. Engin Günana was misused for fake medical reports. Turkish national government developed a chain of fraud system to steal Dipl.-Ing. Engin Günana regular income payment and asset.

Fake partnerships (third person), false court decisions with stolen signatures, sim-cards and tel.-No. identity-card, bankcard, credit-card and fake identity.

Turkish National government Fraud-System:

Cooperation with german national government Berlin, justice, politicians, BND (Bundesnachrichtendienst) and industry, Turkish national government Ankara, justice, politicians, AKP Party, MIT (Milli Teşkilat Örgütü Türkiye) and industry. Terminate from job (from Germany, EU), steal rights, compensation, fuck spouse, divorce from

spouse, steal insurance payments, pension payments, social security payments, money and asset at divorce process. Chancer and extortion with poison in foods with a program under control from AKP, BND, MIT, Justice, Social Security, Healthcare System.

Turkish government cheat with variable Fraud-Systems developed continuously new Fraud-Systems with securities and government forces and crime experts. Berlin, Ankara, Justice, healthcare-system, experts from state and industry and competence from Mercedes-Benz-Group help them.

Healthcare-System generate regular false medical reports, court produce false court decisions with pro government AKP judges who cooperate with federal court of Justice Ankara and Karlsruhe. Target is always stealing monthly EU-Fess Payments about 3.92 billion EUR.

Meanwhile German and Turkish government destroy Dipl.-Ing. Engin Günana professional career (regular after 2012). Even though he was founder of Artificial Intelligence, Internet, Google, iPhone, iPad, Facebook, YouTube and in CEO function at Daimler AG and DaimlerChrysler during 2002-2012, with the best earning of Daimler AG history. Dipl.-Ing. Engin Günana divorce DaimlerChrysler with -30 billion EUR debt 1998-2007 and pushed Daimler AG to 50 billion EUR earning 2011-2015 (earnings are time-shift related), because of President Erdogan stolen 50 billion EUR earning at 2016 from Daimler AG as fake CEO. President Erdoğan and Daimler AG quit Dipl.-Ing. Engin Günana job and try to kill him after Daimler AG transfer secretly 50 billion EUR through Mercedes-Benz Bank to Turkey. President Erdoğan foundation Turkish Wealth Fund TWF hide and archived 50 billion EUR at TWF, see financial report in Turkish from 2016 published in 2017.

The reason of Germany, Turkey and European Union destroying Program

The professional destroying concept of Germany, Turkey and Mercedes-Benz Car Group AG is detailed description in evidence collection because of stolen 50 billion EUR from Daimler AG and at same time a asymmetric destroying program from Germany and European Union to Dipl.-Ing. Engin Günana to downgrade him from founder and chairman function to clown to spend Turkish government monthly 3,92 billion EUR European Union TV-Fess Payments for political target to destroy forced countries USA, Great Britain, France, China and Russia with Terror-Network to al Qaida, ISIS and Turkish military and a virus development program in Germany (BioNTech).

The character of Turkish Film Stories in Turkish Politic and Government Strategy

Comparison to Turkish ottoman police series Mustafa Filinta at 2014 poison and anti-poison. Turkish politic strategy was developed from much national and international film stories. (Matrix, Aliens, Z-War) and their political and societal application to Turkish citizens. Dr. Z a nickname of Dr. Dieter Zetsche (Dr. Zee) born in Istanbul, former official chairman Daimler AG. According to unofficial information is the master of Turkey's Z-Generation. A Generation who fit to story of Matrix, Aliens, Z-War zombies who didn't work, attack, insult and controlled other citizenship (8 million AKP members didn't work but get monthly high payments with an electronic eye)

Turkish military dictatorship in 2012 and EU-TV-Fees-Payments Program

Turkish military coup to Turkish democracy is couple with EU-TV-Fess payments. AKP military attack to Turkish Democracy was at 2012, Z-war generation from Dr. Z with millions of electronic eye-cameras as a average trivial effect increase since 2012, AKP's Zorg army (Filmstrip The Next Generation)' or zombie army with over 8 million unemployment realize Z-War attack to me! I live in Matrix with millions of AKP zombies around me, organized condition to steal me Dipl.-Ing. Engin Günana EU-TV Fees payments about 967 billion EUR during 2012-2023.

AKP army coup at 15.07.2012: AKP and judges quit 3-Million manager job without substitute, kill opposition and manager, quit opposition judges, officers and government manager's job, put rivals in prison and constitute dictatorship, couple 84 million citizens to one person, to President Erdogan, the circle coordinator. Erdoğan a Hitler II figure, which was foundation from Daimler AG and Berlin to destroy USA over Turkey's connection to Terrorists Al Qaida (Merkel). The Berlin-Ankara-Islam-axe. The terror act to World Trade Centre, to destroy USA finance, the same method to me Dipl.-Ing. Engin Günana after 2012.

Ankara transfers this dictatorship program over MIT and BND to Berlin and Stuttgart. MIT-BND and Daimler AG foundation, terrorism infrastructure and terror cells at Stuttgart-Feuerbach with many divisions and undercover companies who act at field. German government follow this program quit Engin Günana job prevent justice defence, cut rights, stop insurance- compensation-, severance- unemployment-, social-security- and healthcare-insurance payments in alliance with AKP and Turkish national Intelligence agencies BND and MIT.

Turkey installation in cooperation with Russian Nuclear Industry, radioactive fuel at shipyard Yalova/Kocaeli in military ships to use this as weapons in gasoline and attack citizens with radioactive vehicle emissions as extortion method at street, to steer a vehicle fleet, 11 million AKP doesn't work but get monthly payment from AKP government.

Ankara cut Turkish citizen rights after AKP-military coup at 15.07.2012, kill 2000 civilians and publish to coup as military coup. Burn residence from opponents with radioactive fuel. Bankruptcy and kill Turkish premium (finance premium) citizens, save government expenditures and increase profit with premium citizens' death and finance. Ankara, transfer this method to Berlin and Stuttgart and use to destroy Engin Günana professional career as co chairman at DaimlerChrysler AG and Daimler AG. Valid is only the actual version

President Macron act as contractor in USA for Engin Günana rights against Turkish government and European Union with a lawsuit with 22.4 billion EUR.

The amount about 11.2 billion EUR TV-fees part payments receipt at Yapı Kredi Bankası/Turkey but Turkish government and national Turkish Intelligence Service steal the amount of 11.2 billion EUR and spread illegal to third people.

Bank employees said secretly they couldn't pay my money to me, an order from national Turkish government. No payments arrived at Dipl.-Ing. Engin Günana bank account in Çayırova at Yapı Kredi Bankası, Fatih Caddesi 120, Çayırova/Kocaeli/Turkey.

We get information from citizens, that bank employees open temporary bank accounts to customer pay to recipients and closed afterwards secretly. An ordered bankcard to Dipl.-Ing. Engin Günana from Yapı Kredi Bankası didn't arrive after 30 days at Engin Günana address. Bank employees told they get the bankcard, but card disappear.

Yapı Kredi Bankası Çayırova started to spread many new shares from Istanbul Stock-Exchange; citizens began buying and open many stores, financial services shops even though a financial bank.

Çayırova/Kocaeli is a city of workers, who earn monthly ca. 200-300 EUR, but most of them own cars about 100.000 EUR, everyday new buildings and stores increase. If I went to Turkish Yapı Kredi Bankası in Çayırova, a stage of constructed dialogue and action wait to me to steal me money without my expression authority,

over parallel discussion and channels. During I get a little amount from my bank account, employees pay parallel to other recipients with temporary bank accounts and money transfer.

We determine finance crime from Turkish national government and private sector with banks, companies and AKP members. Responsible for finance crime is Turkish national government, AKP-Organization, President Erdoğan and President Erdoğan family, AKP Management who spread my asset to AK-Party members, Çayirova- and share with Istanbul citizens through Istanbul mayor Ekrem Imamoglu.

Steal and spread is free for 11 million AKP-members free without any consequence, reason is Tyranny Erdogan and AKP politicians and organization they govern Turkey with UNIX and group rights. This means Turkey is a file with permission rights and own at first Erdogan and Erdoğan family (user rights) than AKP-Group (group rights) and last others (world rights) regarding my asset income lifetime merit and EU-TV Fees payment. Tyrann Erdoğan and Erdoğan family should be punished with a lawsuit to claim stolen assets.

If we consider black market capital through corruption, black market grows with factor 2-3, homepage <https://www.eq2-tech.com/get-response-fees> document reality_tv_get_response_26102024.pdf, page 31

We increase lawsuit with factor 3 or consider international process with $LLC_{USA} = 2$, therefore claim increase in addition with factor $LLC_{USA} = 2$ which consider international process, layer cost, tax and punishment.

With law lever certificate factor $LLC_{USA} = 2$ the lawsuit amount increases from 11,2 billion EUR to 22,4 billion USD. With Turkey specifics black market factor (2-3) factor = 2,5 the claim amount grows from 22,4 billion USD to $2,5 \times 22,4$ USD to 56 billion USD because of max. financial crime and mismanagement without any consequences, but we use as claim amount 22 billion USD and transfer the lawsuit to USA without participation of Kamala Harris and Mercedes-Benz Car Group through fake documents.

Daimler AG profit increase to the best in his history, after Engin Günana great and very successful job as chairman at Daimler AG Headquarter Stuttgart/Germany during 2002-2012, The earning grows every year continuously over 10 Billion EUR, from 2012 to 2016, in sum 50 Billion EUR. Daimler AG German government and Turkish government transfer secret through crime and corruption 50 Billion EUR to Turkey at 2016 and founded Turkish Wealth Fund with a capitalization about 50 Billion EUR in 2016. Turkey had hidden and achieved Dipl.-Ing. Engin Günana profit at TWF.

-

See THW report 2017, page 3 with capitalization about 160,529 billion TL, parity EUR/TL = 3,2 (01/2026) = 50 billion EUR. The annual report was realized under control from AKP and President Erdogan and former President Binalı Yıldırım and are fake to hide secretly the stolen asset from Daimler AG, which was realized from Engin Günana as unofficial chairman at Daimler AG.

Parallel to this success and process European Union use Engin Günana Reality-TV function to prevent all government expenditures with the system competence from Germany use Günana visibility and changes laws procedures and process life online use even German National Agency to make Engin Günana Knock out with narcotics to prevent continuously payments from healthcare-system.

The same procedure with unemployment insurance, make with virus attacks and poison sick to prevent unemployment payments about 2500 EUR/per month. Last but not at least social security payments, quit healthcare insurance to prevent recovery health and prevent unemployment payments. Turkish government, German government and Daimler AG target was to reduce expenditures to minimum, in analogy to Günana job as chairman and spread and share Germany social security system to European Union.

This was an intentionally concept from German and Turkish government with secret service support torture and force with false and fake court decisions police force to cut all rights and make scale effects to European Union to prevents all government expenditures.

A camera a microphone and government system with Günana as pilot project to save all government expenditures prevent defence, ignore rights, and share this as scale effect to 27 European Union governments. European Union management pay the European Union TV-Fees payments monthly about 17,50 EUR per household from 224 million private households to false recipients they pay to the audience and nothing to owner provider Reality-TV Services.

President Erdogan, President Erdogan Family, AKP Party and AKP Party Administration began an offensive bribe and investigation at Daimler AG Management and Stuttgart, around working and living profile from Engin Günana. Furthermore, MIT Federal Intelligence Service (MIT) Turkey, Kale Etimesgut, Ankara, Turkey founded many companies under Ankara and Daimler AG and Green Party and Berlin controls.

With the political target:

Increase less education and less qualifying AKP-members and workers to higher quality and simultaneously destroy Dipl.-Ing. Engin Günana credibility with a masterplan from Daimler AG, Berlin and Ankara. A few of them are:

1. Fos.tec & Company GmbH, Marienstrasse 17, 70178 Stuttgart (AKP, Daimler AG)
Responsible to destroy citizens future
2. LB Detective GmbH, Eberhardstraße 65, 70173 Stuttgart (AKP, Daimler AG)
(Spying, Following, Stealing, Attacking)
3. ak.amo(k) GmbH, Eberhardstraße 65, 70173 Stuttgart (AKP, Daimler AG)
(Establishment to homicidal maniac through a regularly provocation program)

4. Act.o. flux GmbH, Eberhardstraße 65, 70173 Stuttgart (AKP, Daimler AG)
(Organize radioactive attacks to passengers with radioactive vehicle emissions)

5. The Network-Partner, Eberhardstraße 65, 70173 Stuttgart (AKP, Daimler AG)
(Organize a network for insults)

6. Doc.to.lib GmbH, Eberhardstraße 65, 70173 Stuttgart (AKP, Daimler AG). Company experts are responsible for programs and methods to throw out citizens and members from healthcare - system and from insurance to stop services and payments. But as well as throw out from finance-system (no bank accounts no payments), from agriculture-system (poisoned foods, healthy foods are signed with secret codes) working-phase (to throw out employees without any rights and severance payments)

Summary

Throw out none AKP-Party-Members (German Equivalent) from healthcare-system, pension-system, insurance-system, law procedures-system, let citizens and opponents lost in every case in their life. A terror program from Turkish AKP-Party, President Erdogan and Ankara after military attack to Turkish Democracy from MIT and President Erdogan at 15.07.2012

Four Departments were founded to destroy Engin Günana and others professional career and credibility. Especially Engin Günana as former Daimler AG chairman during 2002-2012 and iPhone founder after 1998 with Apple Inc. and Steve Jobs as a multiplier for Reality-TV User to show AKP-Party-Members with less education with less knowledge are better as high qualifying experts, to validate 11 million less education and rude AKP-Party-Members Leaderships, MIT work with exquisite labels, for vehicles, fashion, houses, exquisite and sport cars (SUV) and much stolen money. This undermines visible AKP-members success and leaderships.

This formulation is very friendly, if we consider President Erdogan and Administration kill many opponents' leadership or put in prison and throw out 3 million Turkish leaderships to the street without any possibility to get a job and get sick because of a development killing-system from Turkish national government without evidence (regular radioactivity with short half-life in combination with narcotics like Tavor)

Furthermore, President Erdoğan killed 2000 citizens at 15.07.2012 with army attack simulation, to constitute the AKP-dictatorship, if we consider these facts, then it's allowed, to describe this as President Erdoğan and AKP genocide to hide partisan terrorist voters less educations and knowledge, they don't speak, meanwhile Turkish MIT organize professional experts and present them as workers with identity forgery. President Erdogan concept its easy he cheats with government force and government institutions, attack with simulation and stages and make professional advertising for AKP-members with visible labels, who can't speak and aren't able to lead. Five departments were founded. A destroy-system with healthcare-, Interior-, Finance- Justice- and Education-Minister with MIT and over 100 professional companies, which was founded from MIT-BND and Daimler AG.

These departments and system are responsible to destroy citizen's credibility, professional career and future:

Finance-System:	Steal money, stop income, payments and pension and prevent credits (Germany)
Justice-System:	Prevent rights, stop income, payments and pension with court decisions.
Health-Care-System	Stop healthcare-services, Stop-Healthcare-payments, chancer, make sick.
Security-System:	Attack with radioactive emissions and dust, bacteria, viruses (Corona, AIDS)
Education-System:	Insult with junkies, cheat with experts, professionals as beginners with stages

This structure of AKP this organization fit to Adolf Hitler's historical NSADAP structure. A plan from Turkish government developed for Turkish army attack and change the constitution applied to Engin Günana, to destroy his professional career, credibility and future to hide his success at Daimler AG as chairman and as

expert for Turkish economy and business. Furthermore, destroy him credibility as iPhone founder, developer and realize with Apple Inc. and Steve Jobs.

During 2002-2013 Turkish and German government and economy was involved in his strategic- economic and business program. Especially in 2009 Engin Günana was responsible to protect and generate a revenue economic and business program for Germany and Turkey.

More than one times, Turkeys former President Ahmet Davutoglu, German President Frank-Walter Steinmeier, many Turkish ministers and President Erdogan consultants' especially economic expert consultant Bülent Yiğit visit him at Daimler AG/Stuttgart-Untertürkheim and in Stuttgart/Germany.

President Emmanuel Macron/France was the contractor and gets about 11.20 billion EUR participation. Engin Günana participation was transferred from President Biden/USA to Turkey but the 30 defendants (see list) have stolen the commission of about 11.20 billion EUR and didn't inform him. The European Union fees payment have been distributed to Turkish banks, industry, Turkish media, manager and politician, furthermore to AKP- and CHP-Party.

Over Turkish Wealth Fund get most of AKP party members secretly high private pension in foreign currency (10.000 USD and more) and through Istanbul Exchange shares with stolen asset and income from Engin Günana secret services support.

Furthermore, Turkish manager steal Engin Günana regular monthly payments about 20.000 USD, monthly income from an agreement between Engin Günana and US-Government in case of his job as owner, provider, business manager and business director of Pay-Tv - Reality-TV services.

Turkeys' income, money and asset steal program are support from Turkish and German national government, secret service and actors from both countries.

2016, the best profit in Daimler AG history.

President Erdogan, Chancellor Merkel and their Administration transform Engin Günana from chairman at Daimler AG to a judge during National Socialism before Second World War, destroy his professional career, credibility and steal his money, assets and pension.

The real reason for this crime and corruption act was to steal European Union Engin Günana Fees Payments. After his great job as chairman at Daimler AG with sensational success of 50 billion EUR earning from 2012 to 2016, the best profit in Daimler AG history.

Because of stealing EUROPEAN UNION fees payments, the profit from Turkish banks and finance branches, Istanbul Stock Exchange jumped extremely after 2016 (minimum 25% profit per year). President Erdogan, his Family and team own most parts of Turkish industry over third companies.

Turkey collect European Union fees payments in Turkish banks and other financial instruments like crypto money and Istanbul Stock Exchange accordingly the profit increase extremely. Germany invests in construction area and transfers millions of premium cars to Turkey, instead of paying Engin Günana first participation about 22,40 billion EUR 967,680 billion EUR EUROPEAN UNION fees payments during 2012-2023

Even though, direct investments from international investors to Turkish industry fall since 2012/2013 extremely, Turkeys finance sector profit jumped extremely because of stolen EUROPEAN UNION Fees Payment asset from Engin Günana.

Turkish Wealth Funds own (2016) President Erdogan and Binali Yildirim and their Families. Annual Report from 2017 shows 50 billion EUR assets, in Turkish Pound [₺] 160,529 billion, the same sum of Daimler AG earning between 2012 and 2016, in which Engin Günana steer the company with great success. Parts of the EUROPEAN UNION fees payments are hidden in Turkey in gold and Jewels and construction industries, millions of AKP members get high labelled premium cars, Mercedes-Benz, Audi, BMW, Porsche, most of them drive SUV.

AKP party members buy villas, premium cars, open first-class shops and get a fat pension through Turkish Wealth Fund (TWF), trucks and other vehicles for Turkish industry from Engin Günana money. Turkish Wealth Fund own 3 Turkish banks, 2 pension insurances, Istanbul Stock-Exchange, Turkish satellite, Turkish Airlines, etc. Most of AKP-Party members get high private pension from pensions insurance at TWF, the revenue book from TWF is fake, 50 billion EUR assets (revenue 2017). The capital comes from EUROPEAN UNION fees payments. 50 billion EUR assets, Engin Günana program need 5 years (2012-2016) to earn this asset after 11-year hard job as Daimler AG as unofficial chairman during 2002-2012.

After Engin Günana started in 1998 at Daimler AG his career Manager Dr. Rolf Klumpp said, no matter what he holds in his hand, everything turns into gold. He founded iPhone and launched Daimler AG to the best profit in its history. Turkey and Germany started a program to destroy Engin Günana professional career as chairman at Daimler AG after 2012 for a program which He determine in 2016. They quit his job, steal his money, asset and pension and destroy his life especially German courts with false law orders in alliance with Turkish government and administrations to destroy Engin Günana professional career as Daimler AG manager and transform him to a worker level, with police and army force and secret service agents.

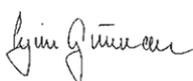

They tortured Engin Günana with radioactivity, chemicals, medicine, broke doors, entered his residence and spread poison to destroy his health. Both governments destroy his finance steal his money, asset and pension, burned his label suits and shoes about 5000 EUR and destroy especially his credibility as manager at Daimler AG. Turkish and German government administration pay him actual monthly 275 EUR pension to get further Billions of EUR European Union fees payments. To stop the systematic government crime from Germany and Turkey to stop the systematic torture program, to stop the monkeys and junkies' program, to stopped worker as film and program directors who steal regularly Engin Günana merit, a lawsuit against European Union, Germany and Turkey is absolute necessary.

ENGIN GÜNANA is the owner, provider, program manager, business manager and the business director of Pay-Tv-Reality-TV services. Either EUROPEAN UNION pays him fees from 224 EUR Mio. Private EUROPEAN UNION Households about 17,50 EUR per month or Turkish and German government had to pay him 5% commission from sum of EUROPEAN UNION fees payments about 423 billion EUR during 2012-2020

Partner and contractor of defence are President Macron/France and President Biden/USA. They had an agreement, if they defence Engin Günana rights and get 5% commission about 22,40 billion EUR, he had to get 5% shares as contractor too.

President Emmanuel Macron get shares about 11.20 billion EUR from US-Government and President Biden send Engin Günana the other part of 50 % shares about 11.20 billion EUR to Turkey, but Turkish government and the defendants steal him 11.20 billion EUR. With LLC_{USA}[®]=2 the lawsuit increases to 2 x 11.20 billion EUR = 22.4 billion USD, if we consider black market factor 2,5 and EUR/USD parity claim amount ca 56 billion USD
